- 24.3 All jerseys are to be clearly numbered with NO duplicates.
- 24.4 All jersey designs are to be approved by the Illawarra rugby league. This is to avoid any clash of jerseys designs / colours / number issues.

Where the above results in the minimum number of game officials/trainers not being met, the game will **NOT** start and the game referee being notified. The game will not start until the minimum requirements are met as per the NRL On-Field Policy.

## **26 Sideline Area / Bench Locations**

- 26.1 Both the home and away Team benches must be on the same side of the field.

- *Players and Officials on the bench must, at all times, remain in the bench area allocated to their Team (except for warm-ups).*
- *No one besides the Ground Manger can approach the Match Officials.*
- *Whilst Officials are not expected to sit during the entire match, they must not leave this immediate area or approach the field of play under any circumstances unless directed by the Ground Manager.*

- 27.4 The Ground Manager will be responsible for Teamsheets to be completed in full in a timely manner.

- 27.6 All sin bins and send offs must be recorded on the Teamsheets.

- 27.7 The Club is responsible for ensuring result sheets are collected and entered onto MySideline.

## 28 Time Off and Scheduled Time Delays

- 28.1 Time off in all IRL games will only be allowed in the last five mins of the second half as indicated by the referee. The exception to this will be Cup (1<sup>st</sup> Grade), where time off is allowed as per NSWRL Major Competition Rules.
- 28.2 The result of matches abandoned after half time shall be recorded as the final score at the point of abandonment. Abandoned matches where a full half has **NOT** been deemed to be completed due to inclement weather or serious injury will be replayed when deemed appropriate by the IRL Head of Football.
- 28.3 A Team shall be allowed a maximum of 15 minutes after a match's scheduled starting time to take the field without any prior confirmation of delay. After 15 minutes the match will be deemed a forfeit.
- 28.4 The game times will remain as is after the 15-minute period with consideration around shortening half time break and second half if required.
- 28.5 See NSWRL Community Rugby League Policies and Procedures Manual (Section 3.1 (Abandoned Matches Due to Injury, Inclement Weather or Foul Play) and Section 4.20 (Making Changes to the Duration of a Game) for further information.
- 28.6 Should a match be unable to commence at the scheduled time for any unforeseeable reason, injury or extraordinary event, the following needs to be applied:
- *Consideration needs to be taken for how many matches are left in the day, lighting and the minimum times. See NSWRL Community Rugby League Policies and Procedures Manual (Policy 4.20 Making Changes to the Duration of a Game) for more information.*

- If the away Team does not nominate anyone for this purpose, they must accept the timekeeping of the home Team.
- All decisions of the official timekeeper shall be final and not open to review other than by application to appeal to the IRL Review Committee.
- In all cases, the referee will be the sole judge of when play shall cease after the half-time or full-time siren has sounded.
- The referee may extend the match to award a penalty or to complete the play currently underway, at their discretion.

### 30 Washout Policy

- 30.1 If 50% (fifty percent) of matches are completed in any round on one weekend, the round will be deemed as COMPLETED.
- 30.2 Any match not played in that competition due to ground closures / wash outs in what is deemed as a COMPLETED round (with 50% or more games played) will be required to be played. Follow process as per Section 18.
- 30.3 Should less than 50% of competition matches in any one competition be completed, the whole round for that particular competition will be deemed as a WASHOUT and must be rescheduled as per Section 18.

### 31 Team Liaison Officer (TLO)

- 31.1 Team Liaison Officers (TLO) are now compulsory at all matches (one each per home and away team) as the first point of contact for Ground Managers should an incident occur. TLO Vests are to be provided by each club (**PINK Vest**) and must be worn by the appointed Team Liaison Officer in the bench area.

Referees have been instructed not to commence the match if this requirement is not adhered to.

Prior to match commencement and prior to both teams entering the field of play, the TLO from both the home and opposition teams must report to the Ground Manager (who will be at the halfway line) and provide accreditation of each team's Sports Trainer (First Aid Officer) and Coach. This is to satisfy the minimum game requirements for the game to start.

Once both teams have advised this detail the Ground Manager will then signal to the referee that the match can proceed.

### 32 Player Admission / Passes

- 32.1 All away players are to pay admission to games they are visiting to play.

Under 18 players will be issued with passes to be used only at their matches.

During the final series all players in the final series will be provided with passes by the league or will have their names listed on an entry sheet. Players not in the final series will have to pay entry to enter the ground.

## FINALS SERIES

### 33. Finals Series Structure

- 33.1 The format of Competition Finals Series will be determined by the number of Teams in the Competition and by the Illawarra Rugby League.
- 33.2 Grand Final matches may only be played across Friday, Saturday and Sunday. Allocation of matches will be determined by the Illawarra Rugby League based on availability and suitability of venues.
- 33.3 At all Grand Final matches, each participating Club MUST provide a Ground Manager / Team Liaison Officer (TLO) to assist the League Staff on game day. The TLO will be clearly identified in a **PINK Vest** and Ground Manager will be identified in a **PURPLE Vest**.
- 33.4 If Teams are on equal points at the end of the competition regular season, **“for and against”** points will determine semi-final placings for all positions. If equal, most points for will determine placings followed by least points against. If the same, then individual results of both Teams playing each other will be considered (no play offs).
- 33.5 Any Team breaching Competition By-Laws in any Illawarra Rugby League Competition Finals series match, regardless of their position, may be disqualified from the Competition.
- 33.6 If a Team withdraws from any competition or is disqualified from any Finals series match, any subsequent matches will be deemed a forfeit. No adjustment for previous matches will occur.

### 34. Drawn Matches and Extra Time (Finals)

In the event of a draw during finals, the following procedures apply:

- Extra Time: Two 5-minute halves of extra time.
- Golden Point: If scores remain tied after the extra time period, the match proceeds to golden point.
- Kicking Off: A coin toss determines possession.
- If a Team scores a try or kicks a goal / field goal at any stage within the golden point time period, the referee will terminate the game with the Team scoring the points declared the winner.
- Player Safety: Medical staff must be on standby during extended play.

These rules align with NSWRL's Community Rugby League Policies and ensure fairness and player welfare.

- Where limited interchange rules apply, Teams will be given an extra two (2) interchanges during the entire extra time period.

### 35. Loss of Time and Time Off (Finals)

- 35.1 In Semi-finals, Finals and Grand Finals, should thirty continuous minutes of play be lost due to injury or for any other reason (foul play will be at the discretion of the IRL Review Committee and may result in the match being forfeited), the game will be terminated and be replayed at a venue and time determined by IRL Review Committee and the Stakeholders Group of that Illawarra Rugby League Competition.
- 35.2 Time off during the Finals series will be as per the Finals Handbook issued each year, except in Cup (1<sup>st</sup> Grade), which is played under NSWRL Major Competition Rules.

### 36. Finals Eligibility

- 36.1 The eligibility of a player to participate in any final series match (Semi-final, Final and Grand Final) will be determined based on the participants playing record on the completion of the regular rounds of competition.
- 36.2 League Administrators will compile a list of Finals eligible players at the conclusion of the regular season. Squad lists will be locked once eligibility lists are finalised.
- 36.3 Clubs **MUST** submit a Finals Series Squad List online (via MySideline) by **5PM Thursday prior to weekend Matches, every week of the Finals Series**. This List should include all players eligible to play in a particular Match, even those from younger Age Groups or Divisions.
- 36.4 League Administrators will collect Team Sheets from the Squad List submitted by Clubs on my sideline. These Team Sheets will not be amended once collected. That is, only the players listed on the Match Day Team Sheet can participate in that weekends Match. No Handwritten members can be added to these lists to play in the Match.
- 36.5 In all competitions, the number of matches required to qualify for a Finals series will be 33% (Rounded Down) of games scheduled in that season's competition (i.e. in a competition with 12 scheduled regular season rounds, a player must have played a minimum of four (4) regular season matches over the course of the season for the same Team to be eligible to play in a Finals series for that Team (12 x 33%=4.0).

In a competition with 16 scheduled regular season rounds, a player must have played a minimum of five (5) regular season matches over the course of the season for the same Team to be eligible to play in a Finals series match for that Team ( $16 \times 33\% = 5.2$ .)

#### Open Age

- 36.5.1 A player will qualify for finals in the Team where they have played the majority of their matches during the regular season. If the majority of matches played are in a higher division, they may not play in a lower division. This includes NSWRL Major Competition players (such as NSW Cup, Jersey Flegg, Harvey Norman Women's Premiership, Harrigan Cup and Ron Massey Cup).
- 36.5.2 If matches played across competitions are even at the end of the regular season, the player will be eligible for both the higher and lower division.

#### Major Competitions Players

- 36.5.3 A 'Major Competition' player will qualify for finals in the Team where they have played the majority of matches during the regular season. If the combined majority of matches played are in a Major Competition, they may not play in any Illawarra Rugby League Competition Finals series.
- 36.5.4 If a 'Major Competition' player plays in more than one NSWRL Major Competition throughout the season (For example, a player who plays in both Ron Massey and Sydney Shield matches in the same season), the accumulated total of matches played across these competitions will count as matches played in a Major Competition.

#### All Competitions Conditions

- 36.5.5 If a player fails to play enough regular season matches to qualify for finals series games due to serious injury, adequate medical proof is required to be submitted to the IRL Review Committee for approval or denial 14 days before the end of the current season. Adequate medical proof will not be accepted within the 14 days. NOTE: If there were sufficient remaining available rounds for a player to qualify OUTSIDE of the period of injury, then an application on medical grounds will be denied.
- 36.5.6 If the player was registered late and there were limited matches available due to wet weather, then application can be made to the IRL Review Committee for approval or denial for exception to these rules. NOTE: If there were sufficient remaining available rounds for a player to qualify

OUTSIDE of the washout rounds, then an application on limited available rounds will be denied.

- 36.5.7 For Finals qualification purposes, matches forfeited by the opposition count towards the minimum regular competition matches required to qualify for the Team RECEIVING the forfeit. A list of player names that were available to take the field for the scheduled match (20 maximum) must be submitted to the NSWRL Club and Competitions Committee and the District Administrator by the Club RECEIVING the forfeit before 12pm of the Friday following the forfeited match. Player lists will NOT be accepted past this point in time and players will not be granted a game for qualification purposes.
- 36.5.8 Playing unregistered or unqualified players in any Finals Series match will result in the match to be deemed a forfeit and the offending Team being disqualified from the Finals with possible further breaches applied.
- 36.5.9 It is the responsibility of Clubs to ensure that any player who participates in a finals series match has successfully met the minimum qualification requirements.
